I. Course Description 課程簡介

This course provides an orientation to the different types of literature in the Bible, with a practical study of relevant methods used in their interpretation. Students will learn to recognize and work with the various genres of biblical literature and will gain an overview of various approaches to Scripture, so as to make meaningful application of the Bible in our contemporary context.

此課程旨在介紹釋經學原則及應用。透過學習聖經裡不同的文體及各樣的釋經工具，學生學習到正確的解釋聖經方法，從而將聖經真理應用在信徒的生命中。

II. Course Requirements 課程要求

An assignment will be distributed during the course and is due on May 5. It consists of two exercises, one from the Old Testament and the other from the New. Your answer to each should not be more than two pages in length.

課程完結前將會派發一份有兩條問題的功課(舊約和新約各一)。每條問題的答案不得超過兩頁紙。呈交日期: 5月5日
